## AASLD

The American Association for the Study of Liver Diseases (AASLD) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. The AASLD designates these blended (live and enduring) activities for AMA PRA Category 1 Credit(s)<sup>™</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

### Statement on Disclosure

This educational activity has been planned in accordance with the AASLD Financial Disclosure Policy and ACCME Standards for the Integrity and Independence for Accredited Continuing Education by members of the AASLD Transplant Hepatology Board Review Course faculty, the AASLD Maintenance of Certification Committee and the AASLD Governing Board. As an accredited provider, AASLD must collect information from all planners, faculty and others in the planning and control of continuing medical education (CME) activities to disclose all of their financial relationships with ineligible companies within the prior 24 months. Ineligible companies are those whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients. There is no minimum financial threshold; individuals must disclose all financial relationships, regardless of the amount, in ineligible companies. Individuals must disclose financial relationships with ineligible companies regardless of their view of the relevance of the relationship to the education.

When an unlabeled use of a commercial product or an investigational use not yet approved for any purpose is discussed during an educational activity, the speaker shall disclose to the audience that the product is not labeled for the use under discussion or that the product is still investigational.

AASLD has implemented a system to resolve conflicts of interest for each CME activity to help ensure content is objective, fair balanced, independent, and free of commercial bias. Conflicts, if any, are resolved through one or more processes. All relevant conflicts pertaining to this activity have been mitigated.

The opinions expressed in the educational activity are those of the faculty and do not necessarily represent the views of AASLD. Please refer to the official prescribing information for each product for discussion of approved indications, contraindications, and warnings.

## AGA

The AGA Institute is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. The AGA Institute designates this live activity for AMA PRA Category 1 Credit(s)<sup>™</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

In accordance with the ACCME's Standards for Integrity and Independence in Accredited Continuing Education, all faculty and planning partners must disclose any financial relationship(s) or other relationship(s) held within the past 24 months. The AGA Institute implements a mechanism to identify and mitigate all conflicts of interest prior to delivering the educational activity to learners.

## ASGE

The American Society for Gastrointestinal Endoscopy (ASGE) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

**Conflict of Interest, Scientific Excellence and Neutrality:** ASGE upholds the highest standards of scientific rigor, evidence-based content, and clinical relevance in its educational programs. Activities are developed by experts selected for their knowledge, teaching excellence, and impartiality. All planners and faculty disclose relevant financial relationships, which are reviewed and addressed under ASGE's Conflict of Interest policy to ensure integrity and objectivity.

**Patient Privacy Assurance:** ASGE complies with HIPAA regulations to protect patient privacy. Faculty must deidentify patient information in all educational materials and presentations.

**Educational Competencies:** ASGE programs align with ACGME and ABMS competencies, focusing on medical knowledge, practice-based learning, patient-centered care, and evidence-based practice.

**Commitment to Learners:** ASGE's CME portfolio enhances knowledge, skills, and professional performance, empowering learners to advance patient care and optimize procedural outcomes. Content aligns with standards recognized by the GI profession and ASGE guidelines, integrating clinical medicine and healthcare practices.

## SSAT

In support of improving patient care, this activity has been planned and implemented by Ciné-Med and the Society for Surgery of the Alimentary Tract (SSAT). Ciné-Med is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC) to provide continuing education for the health care team.

Ciné-Med designates this live activity for AMA PRA Category 1 Credit(s)<sup>™</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

JOINTLY ACCREDITED PROVIDER<sup>™</sup>  
INTERPROFESSIONAL CONTINUING EDUCATION

Simon	Stenson	I was previously employed by the British Nutrition Foundation, which is a registered charity, until July 2023, although this did not involve work relevant to the current research to be presented at DDW. Funding to support the British Nutrition Foundation's charitable aims and objectives comes from a range of sources including membership, donations and project grants from food producers and manufacturers, retailers and food service companies, contracts with government departments; conferences, publications and training; overseas projects; funding from grant providing bodies, trusts and other charities. Further information about the British Nutrition Foundation's activities and funding can be found at <a href="http://www.nutrition.org.uk/aboutbnf/">http://www.nutrition.org.uk/aboutbnf/</a> .

Praveen	Suthrum	I'm the President and Co-Founder of NextServices that works with gastroenterology practices in the areas of administrative and technology solutions. I host a leadership program called the GI Mastermind that includes several GI leaders as students/clients. My podcast the Scope Forward show has several thousand gastroenterologists as its audience (it's free). Recently, I joined the advisory board of a colonoscopy robotics company (Surgical Automations).
